appeal and for the first Appeal Brief previously paid will be applied to this second appeal.

Applicants would like to make a request to Examiner Nawaz, SPE Saleh Najjar and to the other SPE or director involved in the pre-trial conference that they will not reopen prosecution again, but instead, allow the Examiner to file an Examiner's Answer so as to reduce the delay and expense in prosecution of this case. The Examiner appears to be reopening prosecution simply because those on the pre-trial appeal conference do not believe that the Examiner will be successful in the Appeal and hence have given the Examiner another opportunity to strengthen the Examiner's case. This is improper and unfair. How many bites at the apple does an Examiner get? All that results is increasing the pendency of the case and further delay.

Respectfully submitted,
